GENERAL INFORMATION

Tax Relief is granted on an annual basis and must be requested by the applicant seeking relief. The qualified real property applicant(s) will be exempt from paying any real property tax on the qualifying dwelling and the land, upon which it is situated, up to three acres. Land in excess of three acres and any additional lots or structures are ineligible for relief. If your real estate taxes are collected and paid by a mortgage company, you may wish to inform them of your participation in this program. Manufactured homes (mobile homes) may qualify for tax relief.

The Board of Supervisors annually sets the alternative tax rate for personal property tax relief. The qualified personal property applicant(s) will be taxed at the alternative rate on one vehicle per qualified applicant on vehicles garaged and registered for personal property tax in Loudoun County as of January 1, 2006. A replacement vehicle purchased during the year may also qualify for the alternative rate. However, in order to receive tax relief on a replacement vehicle, taxpayers must notify our office when they have replaced a vehicle that qualified for the alternative rate so that the new vehicle may then be considered for the alternative rate.

Loudoun County utilizes a triennial application procedure. Every third year from the original *qualifying* application date, the applicant must file a *new* application. For the two years following the date of the original *qualifying* application or subsequent *qualifying* applications, the applicant must file a certification form. Tax Relief forms are mailed to program participants by March 1st each year, and are available for new applicants in the Commissioner's offices at the same time. The application is also available on the Loudoun County website at www.loudoun.gov/cor/tred.htm. **If you have previously filed an application for Loudoun County Tax Relief and relief was either granted or denied, you will receive a renewal form that must be postmarked or returned by April 1, 2006.**

Permanent and Total Disability - The term "permanently and totally disabled" means unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment or deformity which can be expected to result in death or can be expected to last for the duration of such person's life; however, a certification pursuant to 42 U.S.C. § 423 (d) by the Social Security Administration, so long as the person remains eligible for such Social Security benefits, shall be deemed to satisfy such definition in this section.

If less than 65 years of age, the applicant must provide, with the first application filed, a disability certification by the Social Security Administration, the Department of Veterans Affairs or the Railroad Retirement Board. If ineligible for certification by one of these agencies, the applicant must provide sworn affidavits from two medical doctors licensed in Virginia or two military officers who practice medicine in the United States Armed Forces. Blank affidavits are available online at www.loudoun.gov/cor/tred.htm or in our office for completion by your physicians.

Proration of Tax - If the qualifying dwelling is sold or title is transferred, or if the last qualifying owner dies, the tax will be pro-rated based on the number of full months owned. The property will remain eligible for tax relief for the portion of full months of the taxable year that it was owned by the qualifying owner(s), or the portion of full months of the taxable year prior to the death of the last qualifying owner. Manufactured homes are not prorated.

Once filed, the application becomes the property of the Commissioner of the Revenue. The application and supporting documentation are confidential and not open to public inspection. Applications without supporting documentation may be denied.

ALL APPLICANTS' SIGNATURES MUST BE NOTARIZED BY A COMMISSIONED NOTARY PUBLIC.
